**Chef's Notes:** Use miniature chocolate chips or finely chopped regular-sized chocolate chips so they aren't too heavy. You can also experiment with other flavorings and add-ins: peppermint extract and chopped candy canes or almond extract with sliced almonds.

**Doctor's Notes:** Be careful when working with raw eggs; keep surfaces clean and wash your hands frequently.

**Teen's Tips:** Make colorful holiday cookies by gently stirring in a few drops of food coloring like these fluorescent purple, green and orange Halloween cookies.
